

## Marketing Executive

UK – London

**Company Summary:** Fast-growing business internet solution provider specialising in Infrastructure as a Service (IaaS) products including connectivity, hosting and IP services. We have developed some of our own technology focusing on high speed and reliable solutions. We currently supply a wide range of internet services to small, medium and enterprise level businesses.

Based in cutting edge offices on the river next to Tower Bridge, Fluidata is planning rapid expansion as more companies understand the business benefits on offer.

**Position:** The Marketing Executive is a new position and reports directly to the Sales Director. The role is responsible for all communication from the business into the public domain and aid the sales team to develop and grow new opportunities.

The successful candidate will need to provide monthly articles and comment pieces for internal and external distribution. Develop relationships with media contacts and industry associates while assisting the Sales Director in the design and implementation of a new marketing strategy.

The Marketing Executive will be targeted on a monthly basis, with achievable but challenging targets. In return, the successful candidate will enjoy an excellent package with fantastic growth potential in this rapidly expanding organisation.

The job would fit a graduate with marketing experience with excellent communication skills looking for IT/Telecom exposure in a fast growth, disruptive business.

**Relevant Work Experience:** 1+ Years in Marketing Role

**Career Level:** Marketing Executive

**Minimum Education Level:** A-Levels/Degree

**Beneficial Experience Level:** Experience in telecoms

**Job Type:** Permanent

**Job Status:** Full Time

**Salary:** £24,000 - £28,000 + healthcare and gym benefits
